An effective technique for figuring out a value is to send out a survey to your current customers. Do that by creating a gross sales web page for the brand new book, however don't include a value on that page. Instead, add a number of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out costs by making a variety of duplicate gross sales pages with different costs on each page. Be sure that your gross sales copy is precisely the same on every

page, and consists of your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your website and gross sales of your book. This can inform you what your optimum worth is.

In the end, for those who've written a ebook that solves a downside or presents a new approach, your ebook will herald both visitors and profits.
