Do that by making a sales page for the brand new e book, however don't embody a worth on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out costs by making a variety of duplicate sales pages with completely different prices on each page. Ensure that your sales copy is strictly the same on every web page,

and contains your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. This may let you know what your optimum value is.

In the end, when you've written a e-book that solves a downside or presents a brand new approach, your book will bring in both site visitors and profits.
