Begin at the highest value the market will bear to usher in the largest profits, and plan to low cost the ebook a number of instances all through the year.

Instead, add various links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to check out prices by creating a number of duplicate sales pages with totally different costs on each page. Make certain your gross sales copy is exactly the identical on each

page, and contains your promoting-deal with sentence. Then figure out for each page the conversion ratio between visitors to your website and sales of your book. This can tell you what your optimum value is.

In the end, in case you've written a guide that solves a problem or presents a brand new approach, your e-book will usher in both site visitors and profits.
