An effective approach for determining a value is to ship out a survey to your present customers. If these clients have already bought an book from you, ask for their opinion when it comes to price. Do that by making a sales page for the brand new e book, but don't include a price on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out prices by making a variety of duplicate gross sales pages with completely different prices on every page. Be sure that your sales copy is exactly the similar on every page, and includes your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your site and gross sales of your book. It will inform you what your optimum worth is.

Finally, in case you've written a e book that solves a downside or presents a new technique, your e-book will usher in both site visitors and profits.
