Advertising Strategies

The key that unlocks the sales potential of your e book is to discover a single sentence that turns into your promoting handle. Then make sure to use that sentence in every piece of gross sales and promotional materials, and every time anybody asks you about your ebook.

Apart from selling your books assiduously on-line, there are a number of different strategies that can help you promote more books.

One is to present something away at no cost with your e book, resembling a invaluable bonus item. Or bundle several ebooks under one worth, which lowers the price for every ebook if they were sold separately.

An efficient method for determining a worth is to ship out a survey to your current customers. If these customers have already bought an ebook from you, ask for his or her opinion when it comes to price. Do that by making a gross sales web page for the new e-book, but don't embody a value on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out prices by making a number of duplicate gross sales pages with totally different prices on every page. Be certain that your sales copy is precisely the same on

every page, and contains your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and gross sales of your book. This may tell you what your optimum worth is.

In the end, when you've written a ebook that solves a problem or presents a brand new technique, your ebook will herald both site visitors and profits. So remember to write that promoting-handle sentence that sums up what problem your e book solves and what the benefits of your 1050 e-book might be to the shoppers who buy it. And then watch your market come to you!
