sales and promotional material, and each time anybody asks you about your ebook.

An efficient approach for determining a worth is to ship out a survey to your present customers. If these customers have already bought an e book from you, ask for his or her opinion by way of price. Do that by making a sales page for the brand new guide, however do not embrace a worth on that page. One other technique is to test out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Ensure that your sales copy is precisely the same on every web page, and contains your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your site and sales of your book. It will inform you what your optimum value is.
