If these clients have already bought an e-book from you, ask for their opinion when it comes to price. Do that by making a sales page for the brand new guide, however do not embrace a value on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out costs by making a number of duplicate gross sales pages with completely different prices on every page. Make certain your gross sales copy is strictly the

identical on each web page, and contains your promoting-handle sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. It will inform you what your optimum value is.

In the end, if you happen to've written a e-book that solves a downside or presents a brand new technique, your book will bring in each traffic and profits.
