Do this by creating a gross sales page for the brand new guide, but don't embody a value on that page. As an alternative, add various links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out costs by making a variety of duplicate sales pages with different costs on every page. Be sure your gross sales copy is precisely the identical on each web page, and includes your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your web site and sales of your book. This can inform you what your optimum price is.

In the end, in the event you've written a e book that solves a drawback or presents a brand new approach, your ebook will bring in each traffic and profits.
