If your guide solves an issue or answers questions in a brand new and

unique way, you need to price your guide as high as you may go. You will obtain larger profits this fashion, but herald fewer customers. Just be sure that the question or drawback that your e-book solves is one that is necessary and relevant to the majority of your market audience. Start at the highest price the market will bear to usher in the largest income, and plan to discount the e-book a variety of occasions all through the year.
