If these clients have already bought an ebook from you, ask for his or her opinion in terms of price. Do this by creating a sales page for the brand new e book, however don't include a worth on that page. Instead, add a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out costs by making a variety of duplicate gross sales pages with different costs on every page. Be sure your sales copy is precisely the similar on each web page,

and includes your promoting-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and gross sales of your book. This can tell you what your optimum value is.

Finally, when you've written a ebook that solves a problem or presents a new technique, your guide will usher in both traffic and profits. So you'll want to write that selling-handle sentence that sums up what downside your book solves and what the benefits of your 1504 e book shall be to the customers who buy it. And then watch your market come to you!
