As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out costs by creating a variety of duplicate gross sales pages with different costs on every page. Make certain your sales copy is precisely the similar on each page, and includes your promoting-handle sentence. Then figure out for every web page the conversion ratio between visitors to your web site and sales of your book. This will let you know what your optimum price is.

Finally, if you've written a e book that solves a downside or presents a brand new approach, your guide will herald both site visitors and profits.
