If your ebook solves a problem or answers questions in a new and unique method, you need to value your ebook as high as you may go. You will achieve bigger profits this way, but usher in fewer customers. Simply be sure the question or problem that your e book solves is one which is essential and relevant to the vast majority of your market audience. If your concepts aren't

If your e-book is geared toward fixing one explicit downside moderately than basic recommendation, then you possibly can charge more. Start on the highest worth the market will bear to usher in the largest profits, and plan to low cost the e-book a variety of times all through the year.
