An efficient approach for determining a value is to ship out a survey to your present customers. If these customers have already purchased an ebook from you, ask for his or her opinion by way of price. Do that by making a sales page for the brand new e-book, however don't embrace a worth on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to test out costs by creating a variety of duplicate gross sales pages with completely different costs on each page. Make sure your gross sales copy is strictly the same on every page, and contains your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This will let you know what your optimum price is.
