price. Do this by making a gross sales web page for the new e-book, however do not include a value on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Ensure your gross sales copy is exactly the same on every web page, and consists of your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your site and gross sales of your book. This can inform you what your optimum value is.
