An efficient technique for determining a worth is to ship out a survey to your present customers. If these prospects have already bought an ebook from you, ask for their opinion in terms of price. Do this by making a gross sales web page for the new e-book, however don't include a price on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out costs by making a variety of duplicate sales pages with totally different costs on each page. Be certain your gross sales copy is exactly the identical on every page, and contains your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your web site and sales of your book. This can inform you what your optimum price is.

Finally, in the event you've written a book that solves a downside or presents a new approach, your guide will herald each site visitors and profits.
