Then you'll want to use that sentence in every piece of sales and promotional materials, and every time anybody asks you about your ebook.

In addition to selling your books assiduously online, there are a number of other strategies that may allow you to promote more books.

One is to present one thing away free of charge along with your e book, such as a valuable bonus item. Or bundle several ebooks below one value, which lowers the value for every book in the event that they had been bought separately.

An effective technique for determining a value is to send out a survey to your present customers. If these prospects have already bought an e-book from you, ask for their opinion in terms of price. Do that by making a sales page for the new ebook, but don't include a worth on that page. Instead, add a variety of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out prices by making a variety of duplicate sales pages with different prices on each page. Make sure your sales copy is strictly the identical on each page, and

contains your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. It will tell you what your optimum value is.

Ultimately, in the event you've written a ebook that solves a drawback or presents a brand new technique, your e book will herald both visitors and profits. So make sure to write that selling-handle sentence that sums up what problem your e book solves and what the benefits of your 1713 book can be to the customers who purchase it. And then watch your market come to you!
