An effective approach for determining a price is to ship out a survey to your current customers. If these clients have already bought an ebook from you, ask for their opinion in terms of price. Do that by creating a sales web page for the new e-book, but don't embody a value on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out costs by making a number of duplicate gross sales pages with totally different costs on each page.
