An effective approach for figuring out a worth is to send out a survey to your current customers. If these clients have already purchased an ebook from you, ask for his or her opinion in terms of price. Do this by creating a gross sales web page for the brand new book, but do not embrace a value on that page. Instead, add a number of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to test out costs by creating a variety of duplicate sales pages with totally different prices on each page. Be sure that your gross sales copy is exactly the identical on each

page, and consists of your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your website and gross sales of your book. It will tell you what your optimum price is.

In the end, in the event you've written a e book that solves a downside or presents a brand new method, your guide will herald both traffic and profits. So you'll want to write that promoting-deal with sentence that sums up what drawback your e-book solves and what the advantages of your 181 e book will probably be to the customers who buy it.
