An effective technique for determining a worth is to send out a survey to your current customers. If these prospects have already purchased an e-book from you, ask for his or her opinion in terms of price. Do that by creating a gross sales web page for the new guide, but do not embody a price on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out prices by making a number of duplicate sales pages with different prices on every page. Be certain your gross sales copy is strictly the identical on every page, and includes your selling-deal with sentence. Then work out for every web page the conversion ratio between guests to your website and sales of your book. This may inform you what your optimum worth is.

Ultimately, if you've written a ebook that solves a drawback or presents a brand new approach, your e book will usher in both traffic and profits.
