If these clients have already bought an e-book from you, ask for their opinion when it comes to price. Do this by creating a sales page for the new guide, however do not embody a price on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out costs by creating a variety of duplicate gross sales pages with different costs on each page. Make certain your sales copy is strictly the similar on each web page, and includes your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your website and sales of your book. It will let you know what your optimum value is.

Finally, if you've written a book that solves a problem or presents a brand new approach, your guide will herald each traffic and profits. So you should definitely write that selling-handle sentence that sums up what downside your e-book solves and what the advantages of your 1972 ebook will likely be to the purchasers who buy it.
