An effective method for determining a value is to send out a survey to your present customers. If these prospects have already bought an e-book from you, ask for their opinion in terms of price. Do that by making a gross sales page for the new guide, however do not embrace a worth on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out costs by making a number of duplicate gross sales pages with different prices on every page. Make sure your gross sales copy is strictly the same on every web page, and consists of your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your web site and sales of your book. This may inform you what your optimum price is.

Ultimately, in case you've written a ebook that solves a drawback or presents a brand new technique, your ebook will usher in both visitors and profits.
