An efficient technique for figuring out a worth is to ship out a survey to your present customers. If these prospects have already purchased an ebook from you, ask for their opinion in terms of price. Do that by making a sales web page for the new e-book, but do not embody a worth on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out prices by creating a variety of duplicate sales pages with totally different prices on each page. Make sure that your sales copy is strictly the same on every page,

and includes your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. This will tell you what your optimum price is.

Finally, in case you've written a book that solves a drawback or presents a brand new approach, your ebook will usher in each traffic and profits. So remember to write that selling-deal with sentence that sums up what drawback your e-book solves and what the advantages of your 208 ebook will be to the purchasers who buy it.
