One is to offer one thing away without spending a dime with your guide, corresponding to a valuable bonus item. Or bundle several ebooks under one worth, which lowers the worth for each e-book if they had been bought separately.

An effective technique for determining a worth is to ship out a survey to your present customers. If these customers have already purchased an e book from you, ask for his or her opinion in terms of price. Do this by creating a sales page for the new ebook, however don't include a price on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with different prices on every page. Make sure that your sales copy is strictly the identical on each page, and includes your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your site and sales of your book. This may let you know what your optimum value is.

Ultimately, should you've written a ebook that solves a problem or presents a new method, your ebook will usher in both site visitors and profits. So be sure you write that selling-deal with sentence that sums up what downside your guide solves and what the benefits of your 2154 e book might be to the customers who purchase it.
