An efficient approach for determining a value is to ship out a survey to your present customers. If these customers have already bought an e book from you, ask for their opinion in terms of price. Do this by making a gross sales page for the new guide, but do not include a worth on that page. As an alternative, add a number of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to check out prices by making a variety of duplicate sales pages with totally different prices on each page. Be certain that your gross sales copy is strictly the identical on

each page, and consists of your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and sales of your book. This will tell you what your optimum worth is.

Finally, for those who've written a ebook that solves a problem or presents a brand new method, your book will herald both traffic and profits. So make sure to write that promoting-handle sentence that sums up what downside your e-book solves and what the benefits of your 2240 e-book shall be to the purchasers who purchase it.
