Do that by creating a sales page for the brand new e book, but do not embrace a value on that page. As an alternative, add various links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out costs by making a variety of duplicate sales pages with different prices on each page. Be certain your sales copy is exactly the similar on each page, and consists of your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. This will inform you what your optimum value is.
