An effective technique for figuring out a value is to send out a survey to your present customers. If these customers have already bought an e-book from you, ask for their opinion by way of price. Do this by making a gross sales page for the brand new e-book, but don't embrace a price on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out prices by making a variety of duplicate sales pages with completely different prices on each page. Be sure that your gross sales copy is strictly the similar on each

page, and includes your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your site and sales of your book. This may inform you what your optimum price is.

Ultimately, if you happen to've written a ebook that solves a problem or presents a new method, your book will usher in both traffic and profits. So you should definitely write that promoting-handle sentence that sums up what downside your e-book solves and what the advantages of your 2521 e-book can be to the customers who buy it.
