that page. As an alternative, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out prices by creating a variety of duplicate sales pages with different costs on each page. Make certain your gross sales copy is precisely the similar on each page, and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your site and sales of your book. This can let you know what your optimum worth is.

Ultimately, when you've written a book that solves a drawback or presents a brand new technique, your e-book will bring in both traffic and profits.
