An efficient approach for figuring out a price is to ship out a survey to your current customers. If these prospects have already purchased an ebook from you, ask for their opinion in terms of price. Do this by creating a sales page for the brand new guide, however do not embody a value on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out costs by creating a number of duplicate sales pages with completely different prices on every page. Make sure that your sales copy is precisely the same on each page,

and contains your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your site and gross sales of your book. This can tell you what your optimum worth is.

Ultimately, for those who've written a book that solves a drawback or presents a new method, your e-book will bring in each site visitors and profits.
