One other technique is to test out prices by creating a variety of duplicate gross sales pages with different costs on every page. Ensure that your sales copy is precisely the same on each page, and

consists of your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your site and sales of your book. This can let you know what your optimum worth is.

Ultimately, if you've written a e book that solves a drawback or presents a new method, your book will bring in both site visitors and profits.
