An efficient method for figuring out a price is to send out a survey to your present customers. If these prospects have already bought an ebook from you, ask for their opinion by way of price. Do this by creating a gross sales page for the new e book, however do not embrace a price on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out prices by creating a number of duplicate sales pages with completely different costs on every page. Make sure your gross sales copy is strictly the similar on each page, and consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. It will inform you what your optimum price is.

In the end, in the event you've written a book that solves a downside or presents a brand new approach, your e-book will bring in each site visitors and profits.
