The bottom line is to discover a price that maximizes your earnings and the number of books you sell.

This is a superb pricing strategy in case you are seeking to purchase lengthy-time period customers.

Lengthy-term clients are extraordinarily seemingly to buy from you once more and again ? as long as the first e-book they purchase is of distinctive high quality and helpful to the customer.

price. Do this by creating a gross sales page for the brand new ebook, however do not embody a worth on that page. Instead, add a variety of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Make sure your sales copy is precisely the similar on every page, and includes your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your website and gross sales of your book. This can tell you what your optimum price is.

Finally, if you happen to've written a ebook that solves a downside or presents a brand new technique, your ebook will bring in both traffic and profits.
