Do that by making a gross sales page for the brand new guide, however do not include a worth on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out costs by creating a number of duplicate gross sales pages with completely different costs on each page. Be sure that your gross sales copy is precisely the

identical on each page, and consists of your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your site and sales of your book. It will let you know what your optimum worth is.

Ultimately, should you've written a ebook that solves a problem or presents a brand new technique, your book will herald each site visitors and profits.
