As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out prices by making a variety of duplicate sales pages with different costs on each page. Make sure your gross sales copy is precisely the identical on each page, and

includes your promoting-deal with sentence. Then figure out for each page the conversion ratio between visitors to your website and gross sales of your book. This can inform you what your optimum value is.

Ultimately, if you happen to've written a e-book that solves a problem or presents a brand new technique, your guide will usher in both traffic and profits.
