piece of sales and promotional material, and every time anybody asks you about your ebook.

Apart from promoting your books assiduously on-line, there are a number of other strategies that may make it easier to promote extra books.

One is to offer something away free of charge together with your e book, akin to a invaluable bonus item. Or bundle several ebooks underneath one worth, which lowers the value for every book if they have been bought separately.

An efficient approach for figuring out a worth is to send out a survey to your present customers. If these clients have already bought an e book from you, ask for his or her opinion by way of price. Do this by making a sales page for the new book, however don't include a value on that page. As a substitute, add a number of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out costs by making a variety of duplicate gross sales pages with completely different costs on every page. Be sure that your sales copy is strictly the similar on every web page, and contains your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This may inform you what your optimum value is.

Finally, if you've written a ebook that solves a problem or presents a brand new method, your e-book will herald both visitors and profits. So be sure you write that promoting-deal with sentence that sums up what downside your ebook solves and what the benefits of your 682 e-book will be to the customers who purchase it.
