Do this by creating a gross sales web page for the brand new e-book, however do not embrace a value on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out costs by creating a number of duplicate gross sales pages with completely different prices on every page. Make certain your sales copy is precisely the identical

on every page, and consists of your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your site and gross sales of your book. This may let you know what your optimum worth is.

Finally, should you've written a guide that solves a problem or presents a new technique, your ebook will herald both site visitors and profits. So be sure you write that promoting-deal with sentence that sums up what problem your book solves and what the advantages of your 717 e-book might be to the purchasers who purchase it.
