An efficient method for figuring out a value is to send out a survey to your present customers. If these clients have already bought an e book from you, ask for their opinion by way of price. Do that by making a gross sales web page for the new e-book, however do not embrace a price on that page. Instead, add a number of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

contains your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. This can let you know what your optimum value is.

Ultimately, for those who've written a book that solves a drawback or presents a brand new method, your ebook will bring in both visitors and profits.
