If these clients have already purchased an book from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales web page for the new ebook, but do not embrace a price on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with completely different prices on every page. Ensure your sales copy is exactly the same on every web

page, and includes your promoting-handle sentence. Then figure out for every web page the conversion ratio between guests to your site and gross sales of your book. This may tell you what your optimum worth is.
