An efficient technique for determining a worth is to send out a survey to your current customers. If these prospects have already purchased an book from you, ask for his or her opinion when it comes to price. Do that by making a gross sales page for the brand new book, however do not embrace a value on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out prices by making a variety of duplicate gross sales pages with completely different prices on every page. Be sure your sales copy is precisely the similar on each page, and consists of your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum value is.

In the end, should you've written a e-book that solves a problem or presents a new approach, your ebook will herald each visitors and profits.
