Another technique is to test out prices by making a variety of duplicate sales pages with completely different prices on each page. Make sure your sales copy is strictly the identical on every page, and contains your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This may inform you what your optimum worth is.

Ultimately, when you've written a e book that solves a drawback or presents a brand new approach, your e book will usher in both traffic and profits.
