price. Do that by making a sales web page for the new e-book, however don't include a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by making a variety of duplicate sales pages with different costs on every page. Be sure that your sales copy is strictly the identical on every page, and contains your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your site and sales of your book. This will tell you what your optimum value is.

Finally, when you've written a ebook that solves a problem or presents a brand new method, your ebook will herald both site visitors and profits. So be sure to write that promoting-deal with sentence that sums up what problem your guide solves and what the benefits of your 949 guide shall be to the customers who buy it.
